

DETAILED ACTION

Allowable Subject Matter

1. Claims 3 and 8-9 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding Independent Claims 1 and 8-9, prior art of record fails to show or reasonably suggest the claimed invention taken as a whole, specifically with regards to a recommendation factor calculation subunit configured to calculate a recommendation factor for a television program by calculating with respect to each of a plurality of categories, a difference of a corresponding category evaluation value and a corresponding user preference factor, summing the calculated differences across all categories, subtracting the summation of the differences from the total number of categories and setting the value obtained as the recommendation factor for that television program.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
